

BotEvent

```
classDiagram
    class BotEvent
    class PrivateMessageEvent
    PrivateMessageEvent --|> BotEvent
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'PrivateMessageEvent'. A blue arrow points vertically upwards from the top center of this box to the bottom center of a white box labeled 'BotEvent' positioned above it. This indicates that 'PrivateMessageEvent' inherits from 'BotEvent'.

PrivateMessageEvent
